

CUSTOMIZE THE ONLINE LEARNING CENTER TO FIT YOUR NEEDS

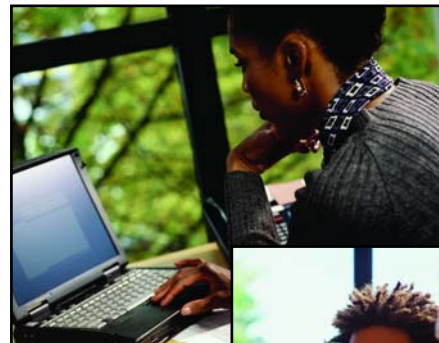

The training needs of your staff are as unique as the people they serve. Now you can customize the CU Village Learning Center to your staff members' specific needs.

The CU Village Learning Center is a premier source for online learning that offers more than 2,000 courses on a variety of credit union and business-related topics. The courses, which can be accessed 24 hours a day/seven days a week, have been developed in a format to allow for self-study and some courses provide testing options.

CUSTOMIZATION FEATURES MAKE IT YOUR LEARNING CENTER

"As is" the CU Village Learning Center is a powerful resource for you and your staff. But you can make it even more powerful by customizing the Learning Center to your credit union's needs. The available customization features include:

- **Unique branding to mimic the look of your intranet or Web site** — Branding means that the CU Village Learning Center features your logo and contact information, so all of the courses come from you. As an integrated part of your Web site, the CU Village Learning Center positions your site as the first place your staff turns to when they think about their professional development and continuing education needs.
- **Ability to create and import your own courses** — You and your staff serve a unique set of members, and now you can offer your staff courses that will help them meet your members' specific needs.
- **Administrative access to manage staff accounts** — Monitor the progress of your staff members. Are they taking the courses for which they registered? How well are they doing?
- **Custom course creation services** — We can create courses to meet your specific needs.
- **Hosted learning management system** — There's no new technology for you to buy or support. We do it all!
